

TRAILBLAZERS CANADA

It was like a dream come true to go to camp and meet new amazing people who care about you. I have to say this camp was an experience everyone would love! It was just amazing, cool, happy and every other good thing in the world!!

I had a great time and loved the activities!

Children who get to go to this camp get to express their feelings about their face and then they'll know they're not the only ones different and that they're just like everyone else.

What an amazing experience! Can't wait for next year!

My daughter loved camp more than words can say!
